SVJS & ASSOCIATES

Company Secretaries

Profile

A firm of Practicing Company Secretaries established in the year 2008, SVJS strives for sustained excellence in the field of corporate practice, by being a true blend of the traditional and modern value systems, practices and culture. SVJS is headed by 5 Partners, who together bring to the fore more than 70 years of experience in Compliance and Governance management. The firm places paramount importance on the value addition that it seeks to bring to clients through its different services, and is mindful of even the smallest kind of service rendered. SVJS is supremely committed to the needs of each of its clients and spares no efforts in fulfilling these effectually.

Being an ISO certified firm, there is a constant endeavour within SVJS to review and improve existing areas of service, while at the same time adding new areas of service, keeping in sight changing times and the oddly turbulent business environment. The firm seeks to provide professional services of the highest standard which is mirrored in each of the assignments undertaken.

Vision, Mission and Philosophy

VISION

To redefine traditional corporate consultancy practices, keeping in tune with changing times, by blending the modern and traditional values systems, practices and culture.

MISSION

To be proactive in adopting innovative initiatives, revolutionary technology, creative solutions, honourable values and vibrant work culture through mutual empowerment and constant learning.

PHILOSOPHY

SVJS provides prompt, efficient and proactive professional services through its committed team members who are specialized in their respective areas of practice, with rich and wide experience.

SVJS understands that intricate and complicated strategic corporate affairs call for creative and pliable business solutions.

SVJS strives to maintain a high level of professionalism in all its efforts. A sincere effort to understand the clients' requirements, systematic planning and documentation, precise reporting and application of expert knowledge are at the core of its work culture. The urge to excel, achieve and accomplish are the driving forces behind all its endeavors.
